

Supporting Road Safety Education

SAFELY MITIGATING HEAVY HAULAGE VEHICLES INCLUDING ROAD-TRAINS, BUSES & TRUCKS

An education initiative for new drivers, intermediate drivers, advanced drivers and experienced car licence holders. Presented proudly by The Transport Workers Union of WA

Approximately

80%

of truck related road deaths are caused by

inattention & inexperience of passenger car drivers. This staggering statistic is **WHY** more education about mitigating heavy vehicles including heavy haulage road trains, trucks and buses is needed during the training stages of licence holders and throughout driver experience.

The Purpose of this new program is to offer a hands-on experience of a line-haul truck with a visit from experienced professional truck drivers who have retired from the industry.

WE LOOK FORWARD TO
