PLEASE NOTE:

- The above rates have been derived from a comprehensive schedule of Owner Driver Rates published in the **Western Australian Government Gazette** on Friday 23 March 2012.
- They are based on vehicles that are 5+ years old.
- Rates are also available for new vehicles and computer modelling is available for all types of vehicles and business.
- The Regional Haulier rates are for all kilometres travelled on a RETURN TRIP.
- The Regional Full-Rigger rates are based on a ONE WAY TRIP.

The TWU maintains that the state government endorsed Guideline Rates in the above schedule are the **minimum payments** for running a safe and sustainable owner truck driver operation.

The TWU will assist owner-driver members in negotiating appropriate **safe and sustainable rates** with prime contractors and hirers.
